- R. *Good morning. The Lagoon Hotel. How can I help you?*
K. *Good morning. I'm interested in booking rooms in your hotel.*
R. *Certainly, Madam. What kind of rooms do you have in mind?*
K. *I'm looking for two rooms for a family, from 1st till 14th July.*
R. *Single or double?*
K. *One double and one twin-bedded, next to each other, if possible.*
R. *Hold on a moment, please... Well, we have such rooms but they are with a shower only.*
K. *That's perfect. And what about the price?*
R. *The double room is 65€ and the twin-bedded one is 56€, so that makes 121€ altogether per night.*
K. *Full-board?*
R. *It's half-board, with breakfast and dinner included.*
K. *Do you serve diet meals? My son is allergic to milk and eggs, you see.*
R. *That won't be a problem, Madam.*
K. *Brilliant! And what about the hotel's facilities?*
R. *We can offer you a safe playground for children, an Internet cafe, and a swimming pool...*
K. *And do you have fitness centre?*
R. *Of course, we do. We have a fully-equipped club with a gym, a steam room and sunbeds.*
K. *Sounds fantastic! I'll take the rooms then.*
R. *How would you like to make the reservation?*
K. *Can I book through the Internet?*
R. *Of course. You'll find the registration form on our website: www.lagoonhotel.es. If you have any problems, don't hesitate to contact us.*
K. *Thanks.*
R. *Thank you for calling us. Goodbye!*
K. *Goodbye!*
